

# COVID-19 STATEMENT

Hello Charlie's PLACE family! We hope each of you is healthy and staying safe. During these uncertain times we want to ensure you that we are working hard to find ways to be a resource to the community and come up with creative new ways to have great family programming for 2020 and beyond!

Due to COVID-19 outbreak, Charlie's P.L.A.C.E. programs, activities and events will look different and run different in order to keep all of us safe and healthy. Our board members have been busy serving the community in various capacities, and we look forward to finding ways to support our community through great programs! Please stay in contact with us by visiting our Facebook page or Website [www.kzoocharliesplace.com](http://www.kzoocharliesplace.com).

We would like to say thank you for the continued support from all of our parents, youth, volunteers, community partners, and others. Also, special thank you to all of the essential workers, health care providers, and community members on the frontlines making sure we all are safe and have the resources we need.

The Mother-Son Dance has been canceled. However, we would like to invite you all to our virtual Mother-Son Dance. Taking place May 9th. More details will be coming out soon.

Please remember we are in this together and as a village we will move forward stronger.
